Preliminary Class

Dear Patent Examiner,

I received the Filing Receipt and the Notice of Informal Application and the description about License for Foreign Filing mailed on October 9 from USPTO. I wonder if there was Office Action to send me beside the above papers. Office Action was not found in them. In stead of that, duplicated Notice of Informal Application was enclosed.

The Notice of Informal Application says that oath or declaration for my application, 10/618,337 is required and should be submitted. So, I enclose here the declaration complying with the rules specified in the notice.

Since I can't confirm the period within to correct the informalities, I don't know I should submit the form of Petition for Extension of Time.

Thank you in anticipation.

Best regards,

Kazuo Sakuma
